Dear Gill,

I have now had an opportunity to look at the issues that you and Pat have raised. The Board meeting was advertised in the Shropshire Star on April 19th and also in the Telford Journal on April 21st. I do have copies of these if you would like to see them. The Board meeting is on our web site, if you look under publications and then click on Governance Board papers you will find the papers there.

Kind regards

David
